

CALLING ALL LEADERS and ADMIN REPS!

Mark your calendars for the September Training Session!

We are offering 3 training sessions so that you can choose the one that suits you best!

All Admin Reps (Finance, Communications, Fundraising, and Childcare - anyone guaranteed a spot in the organization at registration time), plus Leaders, are asked to attend.

It's a great way to kick off your new role, or, if you're returning, it's a great way to find out what's new this year and what the expectations for your role will be.

Communication Reps, Fundraising Reps, Childcare Reps, and Finance Reps - you will learn all you need to know to perform your MumNet role and support your leaders!

Leaders - you will pick up your registration package and review info and policies to ensure a smooth and successful registration day, and a great start to the fall session!
